

In the year 2000, Father Pacwa established Ignatius Productions, a Catholic media production apostolate, whose mission is to teach people the scriptures, educate Catholics about their Faith, and promote unity and understanding within the Mystical Body of Christ.

Father received his B.A. in Philosophy and Theology from the University of Detroit, *summa cum laude*. He was ordained a Catholic priest in 1976 with the Society of Jesus and then continued his studies and received his Master of Divinity and S.T.B. from the Jesuit School of Theology of Loyola University, *magna cum laude*. At Vanderbilt University, he received his Master of Arts, Ph.D. in Old Testament.

Father Mitch Pacwa appears courtesy of Ignatius Productions to share with you his knowledge of scripture and the Church. Father Pacwa's teachings and travels are available as CDs and DVDs on his web site at www.fathermitchpacwa.org. There you'll find a list of all his available teachings, his calendar of upcoming events, free PACWACASTS as well as information about his video production company. You may also sign up for his monthly newsletter that brings you Father Pacwa's "Words of Wisdom" on a variety of subjects.

Jesuit spirituality is "never content with the status quo, the known, the tried, the already existing." It is "...constantly driven to discover, redefine, and reach out" and sees that "frontiers and boundaries are not obstacles or ends, but new challenges to be faced, new opportunities to be welcomed." Indeed, ours is a holy boldness.
