*Ignatian spirituality is a practical spirituality that invites us to become aware of God's love for us. This silent directed retreat is an opportunity to dispose yourself to experience and cherish God's love for you. Daily mass, reflection, time for prayer, spiritual direction, the sacrament of reconciliation and the peace and quiet of our beautiful grounds will enhance your desire to get closer to God who desires to speak to your heart. Becoming more aware of God at work in you and through the joys, pains and struggles you face in your day to day life will enable you to grow in intimacy with God and so love and serve God more fully.*
